

Request for Quotes
Fiber Optic Based Internet Service
RRAC No. 17-007

The Roanoke Regional Airport Commission is seeking quotes from qualified vendors to provide Fiber Optic Internet Service to the Airport's Main Terminal located at 5202 Aviation Drive, Roanoke, VA 24012 as requested by the Commission's authorized personnel. This service will augment existing copper based internet connectivity, and will also be utilized for voice service via SIP trunks (PSTN). The SIP service will replace existing copper-based PSTN services which have primary termination at 5202 Aviation Drive. The consolidated proposal shall include 3 and 5 year options. The exact scope of service required by the Commission is set forth in the Request. Qualified respondents are invited to submit a written response outlining their qualifications and willingness to provide goods, equipment and services as described in the Scope of Services, and in accordance with the terms, conditions, and requirements set forth in the Request for Quotes (RFQ). The successful provider will provide the scope of services in accordance with all applicable laws, regulations and professional standards.

Provider will be responsible for bringing service into the Terminal Building and terminating at a demark point. Commission will permit provider to use Commission's conduits; and, will provide a space to the Provider to store their equipment on site.

The RFQ is available from the Commission's Point of Contact: Brian Kiser, IT Manager.

Quotes for this service can be emailed to Brian Kiser Brian.Kiser@flyroa.com no later than 2:00 PM Tuesday, May 23, 2017.
